

The St. James Police Department is currently working on creating a business list for businesses located in St. James that will be accessible to patrol officers in case they need to contact the business owner if an emergency arises (fire, burglary, open door, etc). The information you provide to us will not be available publicly. We need your assistance in completing this form to make sure our business list has current information. If any contact information changes, please notify the police department at 573-265-7012 or email llambeth@sjpolice.com to update your information. If you have any questions please feel free to contact us.

Thank you,

Police Chief Ron Jones
